Classification

Opticians' Shops

Status

Compulsory under Schedule 1

Scope

Business activities include retailing ophthalmic goods. These establishments may employ optometrists as part of their operations. Similarly, optometrists' offices that dispense ophthalmic goods are included here.

This category includes the sale of

- contact lenses
- eyeglasses, complete with lenses
- frames, eyeglass
- ophthalmic lenses
- safety eyeglasses
- spectacle and eyeglass accessories
- spectacles
- sunglasses.

Also included is the minor adjustment or repair of ophthalmic goods, including edging, finishing, grinding, or polishing, but not the manufacture of ophthalmic goods.

Cross reference

D-529-04, *Ophthalmic Goods*.
